

**April 2021 Prayer Letter**

*“That I may publish with the voice of thanksgiving, and tell of all thy wondrous works.” Ps 26:7*

Dear Ministry Partners and Prayer Warriors,

**Praise! Dan has been able to minister** to a former soldier in the area of PTSD! He has done this through 4 weekly sessions on the ZOOM website. This former soldier feels this has been a positive experience in his life. Dan has also been updating the ministry slides and is **preparing to host in-person classes** in the very near future. He has decided to name this part of our ministry, *“Healing Hearts.”* We are hoping to be able to pass out flyers to our local military, police, EMS, and Fire Departments. **Please pray that people will come; for salvations and spiritual healing to take place.**

As we **continue to seek access to our military heroes**, we realize the military’s current pandemic countermeasures have made access opportunities more difficult. Kelly and I have therefore **decided to receive the Covid 19 injections** to increase the military’s confidence in our health, and therefore, hope that this will boost our chances for leading Bible studies on base. Some positive movements toward easing restrictions were, however, announced just this week. Georgia has reduced person to person distance

requirements and Ft Benning is now allowing soldiers to dine inside local restaurants and visit local gyms. These are good signs moving in a positive direction. **Please pray for open doors at Ft Benning.**

We are so thankful for all of your prayers! **Andrew, our oldest, just got a job** with immediate medical, dental, and optical benefits included! We couldn’t be happier for him. He is very much appreciated by his leaders for his hard work and for his integrity. **Please continue to pray for Jordan’s migraines.** We recently found out that he has aged out of his health insurance plan (under Dan’s military service benefits) and therefore has no medical insurance at this time.

As always, we are so thankful for your prayers for us, for our military, and for your financial support to our ministry. Know that we are praying for you as well. May God richly bless you as we seek spiritual fruit in our ministry that may abound to your account.
