

Aug 2020 Prayer Letter

Joshua 4:24 *“That all the people of the earth might know the hand of the LORD, that it is mighty: that ye might fear the LORD your God for ever.”*

Dear Ministry Partners and Prayer Warriors,

We hope this letter finds you all safe, healthy, and blessed. We can certainly say our Lord has blessed us in these areas. Dan has recently **completed** (and awaits his final grade in) **Systematic Theology, Prolegomena**. He has **2 graduate level classes scheduled for this fall and more next year**. Kelly has been doing **online counseling** and has been working hard in the care of her container gardening. Jordan has been a faithful worker at his job and is furthering his college education this fall.

In the meantime, we are seeking to **start a ministry to local sufferers of PTSD** (Post Traumatic Stress Disorder). We would prefer to host this in person, but due to Covid-19 restrictions the initial format and location of this class will be on-line, through a video conferencing application called “Zoom.” This new possibility is in its infancy stage: neither of us has used Zoom before, so there will be a learning curve for us. We hope to master our knowledge of this application as it is one possibility for an immediate ministry. This venue would allow guests to sign in from their own safe place and, with our Lord’s blessing, allow them to participate and receive healing through the Word of God and the Holy Spirit. **Please be in prayer for: us and our helpers to be ready in every way for this ministry; for the sessions to be well attended; for new relationships in Christ to be made; and for the needed mental/spiritual healing to be achieved in our guests. Also, we ask prayer for the re-opening our previous Bible study ministries on the base.**

On a final note, please **continue to pray for our American military** as pandemic restrictions have most certainly taken their toll on them as well. Many of you have received **plastic soldiers** from us as we have traveled around this beautiful country of ours. Please **continue to use them as a reminder** to pray for these heroes and for **God’s future ministry here**. Lastly, we **covet your prayers for a hedge of protection around our family**, and we thank you for your faithful prayers and financial support.

Marching forward in Christ at Ft Benning Georgia,

Dan & Kelly Kursinsky

*Thank you Pastor Hon
and home church family!*
