

October 2020 Prayer Letter

Deu 7:9 “Know therefore that the LORD thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations;”

Dear Ministry Partners and Prayer Warriors,

We hope this letter finds you all safe, healthy, and blessed. The Lord continues to be our Shield and Protector in these trying times.

God has blessed Dan by enabling him to assist our local church in the refurbishing of its new Activity Center. Among other things, visiting and local military personnel will have access to sport opportunities in the gym as well as food celebrations in the kitchen. It also has the added benefits of providing a comfortable classroom environment for “*in person*” Biblical PTSD healing classes as well as space for personal counseling sessions.

Dan has had the **opportunity to counsel two former military soldiers** via the internet as well as by phone. He has **ordered electronic materials and is receiving ZOOM virtual class training** that is needed for his future **biblical PTSD healing classes**. He is learning much in his current Systematic Theology **Masters class** and is also excited about his next class; Christology/Pneumatology. Kelly also continues to minister in **online counseling**.

The Army has not lifted restrictions for on post gatherings. The pandemic is still alive and has resulted in **deliberate changes in the way Army chaplains minister to their soldiers**. Some are temporarily focusing on video services and one on one counseling by appointment only. **New guidelines for social distancing and group gatherings have been implemented.** While guidelines have changed, our God never changes. He is “*not willing that any should perish, but that all should come to repentance.*” **2 Pet 3:9**. We have been praying for open doors and clear guidance for local ministry opportunities. **Please pray that we will be able to see His specific plan for ministry. One that will be well within any guidelines this pandemic has forced upon our military.**

Lastly, we **covet your prayers for a hedge of protection around our family, and we thank you for your faithful prayers and financial support.** We cannot move forward without you.

Marching forward in Christ at Ft Benning Georgia,

Dan & Kelly Kursinsky
