June 2020 Prayer Letter

Dear Friends,

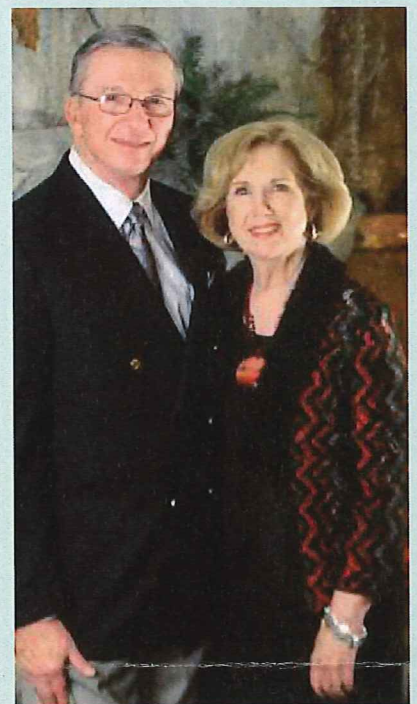

Since our last prayer letter, we like so many other missionaries, have had our normal schedules interrupted by the Covid-19 pandemic. Dottie and I have spent more time at home in the last three months than we have in the last three years. And while it has been good to get some needed rest and catch up on some projects at home, we are restless to get busy doing what God has called us to do.

Because we have had so many restrictions placed on our travel, we have tried to be creative in getting the gospel out. On the anniversary of my 57th spiritual birthday I recorded a Facebook video of my testimony in a message called "The Best Is Yet to Come." It was shared by many friends and we believe God is using it. As restrictions are being relaxed, we are beginning to reschedule mission's conferences and other meetings. If we can help any of our supporting churches with mission's conferences, military appreciation, or patriotic services we would be honored to do so.

We are happy to report that the military church in Baumholder, Germany, is moving forward after many weeks of live streaming the services. The church has officially called Brother Joe Passaro as their missionary/pastor. The church is averaging about 15-20 a service. There is such a great need for a good church in this military community. A year ago the church had already begun the process of closing because there was no pastor and all but one family was being transferred to other duty stations. Several preachers stepped up and filled the pulpit and many of you helped keep the church open by helping with the monthly rent of \$1,200. We had asked for financial assistance with the rent through August, but with the effect of Covid-19 the church is going to need further help. We are asking our supporting churches to please consider helping with this need beyond the August date. Support can be sent to BIMI, P.O. Box 9, Harrison, TN 37341 and marked "Baumholder Project." We will continue to give updates on the progress of the church.

Please continue to pray for us as we labor to get the gospel to the world and especially to our U.S. military and their families. We love you and thank God for you and your faithful prayers and support.
