

LIEDTKE UPDATE

December, 2020

Dear Friends,

We praise the Lord for his watchcare and guidance as we have traveled far and wide across the USA during this mini furlough! It was a blessing to see many of you in person at the meetings in which we participated from Michigan and Wisconsin to North Carolina to Florida and out West to Arkansas, Arizona and Colorado, just to name a few in our 11,000+ miles of driving. We were able to speak in several new-to-us churches as well, presenting our ministry to Honduras.

We anticipate leaving for Honduras in the next couple of weeks, Lord willing. We had some glitches with paperwork – more being asked of us by the lawyer in order to apply for a religious residency in Honduras. All important papers now have to be apostilled, so we sent off my US Citizenship certificate for this process and were told that after the document is 20 years old they cannot apostille it. A new one has been applied for which we will have to pick up at a later date. When we receive Brenda's apostilled birth certificate back, hopefully this week, we will go ahead and purchase tickets. Please pray for us as we ready things to enter the country.

In October we also had the joy of seeing our son, Dan, marry Lauren Knopp in Indiana. We thank God for the blessing of a new family forming out of our own and it was a wonderful celebration in the midst of this Covid- centered year.

THANK YOU to those who have sent in special love gifts for Christmas. You are a special blessing to us! There are many costs associated with our move from Belize to Honduras and even though we did not put out a plea for outfit and passage particularly , we are seeing God touching hearts to bring in the needed funds for transit, appliances, vehicle, furniture and setup once there.

May God bless you as we celebrate the time of His birth!

In Christ,

Mark and Brenda Liedtke, BIML Honduras.
