

Liedtke October, 2019 Update

BELIZE

Dear Friends,

This harvest season we have seen souls come to believe in Jesus as their Savior! A young couple attending faithfully with their children responded to the Gospel being presented in their home and both accepted Christ. Then a 63-year-old lady and her daughter prayed asking God for salvation in their home after a Bible study. Three ladies were baptized in early October. Their joy is contagious as they learn the books of the Bible, sing, and eagerly listen to preaching. We have been able to reward memorization with Bibles and Bible covers that some of you have sent. Please pray for several others who have also been presented with the Gospel but have not yet received God's gift of eternal life.

We celebrated Harvest Sunday in October, gathering food to deliver to four needy families, along with New Testaments and tracts. We are following up on these new contacts given to us by our current attenders.

Another recent outreach was a month of reading classes for 24 children. The ladies helped in this ministry and were able to develop some new relationships, which hopefully will result in future salvations and people becoming part of Faith Baptist of Belmopan.

We have a specific prayer request this month. We still desire to work primarily in Spanish, reaching out to the Spanish-speaking people. Pray with us for God's guidance as we seek His will for our next church plant. Starting in January we will be transitioning FBC to Jonathan Shertzer and his family who have proven themselves capable and with a desire to lead the church. This transition will allow us to go forward with our goal.

Please pray for the people of Belize, that their eyes will be opened to the truth of God's Word.

Yours for Belize,

Mark and Brenda Liedtke
