**House of Prayer Baptist Church:** As we continue to take our church through the Bible's "Big Story", we are seeing great Biblical comprehension! We are currently in the "Wilderness Wanderings" section of the Old Testament storyline. One of our newest Sunday school teachers, Isabel, recently told us: "*I never realized that all of the Bible is connected in such a way as this!*" Please continue to pray for Isabel and the others that are currently serving in our church.

**Pastor's School:** The Pastor's School is coming to the end of its first full year! We are beyond thrilled by the growth that we have seen in these young men! During this session, the men are studying Evangelism and Discipleship with Missionary John Lennon (who teaches via zoom), and I am taking them through Hermeneutics. Over the next year we have the desire to see the Pastor's School grow into a full Bible Institute with multiple teachers and multiple course options available to future pastors and laypersons, alike. We are not yet sure exactly how that would look, but we are currently in the praying and preliminary planning stages. Please pray with us!

**New Discipleship Opportunities:** One new believer, Geoconda, who was baptized in October, 2020, and is currently being discipled by Laura, recently led her cousin to Christ! Her cousin, Gaby, is already showing signs of spiritual growth and will, Lord willing, be baptized in the near future. One aspect that is very encouraging to us is that Geoconda is currently discipling Gaby! On top of that, Geoconda and Gaby have recently invited an unsaved friend to the church, who's name is Janet. Janet has no previous history with church or the Bible, but she has already been faithful to the services for a month. Please

keep these three young ladies (they are all college age) in your prayers!

**Student Outreach:** In August, our church put on our first student outreach! We allowed the young people to plan the entire outreach. We had great food, games, singing, and, most importantly, we were able to clearly share the gospel to over 50 young people!

**Prophecy Conference:** Please keep our ministry in your prayers throughout the month of October as we offer a Prophecy Conference for people from many different Kichwa villages. We are meeting each Sunday night in House of Prayer's church building for this conference. The five topics we are covering are: a Biblical understanding of Death, the Rapture, the Tribulation, the Second Coming, and Eternity. We see more and more the signs of the times and we are convinced that we are living in the last days! We are excited about God's plan for humanity, and we desire for the Kichwa people to have a Biblical understanding of these promised events!

Thank you so much for your support!

Serving Him Together,  
Will and Laura

These are the young people from our church (House of Prayer) who put on the student outreach, standing on the stairs of the new church building!
