As you all know from the news, the Corona Virus is spreading in China, but our area (Hainan Province) is doing OK. The Hainan government has imposed a self-quarantine to isolate themselves from the mainland.

So far, this has worked, and Hainan is safe from the virus turning into an epidemic. There are three couples, (The Palmer's, The Sinskie's and the Hoffman's) some with children, and three other college aged ladies (Carol, Crystal, Jennie) who work with us. They all are doing fine, but please remember to pray for them as they use this time to be a witness of God's goodness in their life as they serve the LORD in difficult situations.

Our churches in China cannot meet due to local travel restrictions. Basically, the streets are empty. Please pray for China and our team as they wait for this part of China's history to pass. Christians in China are concerned about this situation, but they all realize God is in control and that God will use this to make a difference in the lives of others. Already, there are some Chinese who are now asking our teachers and Chinese Christians why heaven has forgotten China. So, you can imagine how this situation can be used by our churches to reach even the most harden in China.

Please continue to pray for my recovery. I'm now three months post-op. All are amazed with my progress and I plan to return to China as soon as the travel ban is lifted (May 1st). I consider the triple bypass just a bump in the road.

If you have questions about China or wish us to visit your church, please email us or call us. I've already scheduled several meetings but still have a few dates opened for a few more visits. Cindy and I would love to re-visit the faithful to give you an update on our 26 years in China. Thank-you for your prayers and love for China.
