Hainan Province (in red) - The Chinese call it, the Pearl of the South China Sea. Cindy and I are in our 29th year of ministry to this remote area of China. The island is oval and measures about 160 miles (260 km) from east to west and 130 miles (210 km) from north to south at its widest point.
Population - My harvest field is about Ten Million Chinese on this small Island.

PRAISE #1: May 20th, the Chinese government FINALLY updated their restrictive policies for re-entry into China. My office in China can now begin to prepare our return documents to China. The only other hinderances are COVID protocols to board the flight. These protocols are intensive and require multiple trips to specialize facilities for COVID testing that must be accomplished within certain time periods before boarding. These requirements require us to arrive our international departure city (Dallas or SeaTac) days prior to departure to begin different COVID testing. The additional cost of these requirements (hotel, car rental, PCR test) will add challenges to our return.

PRAISE #2: Our eight churches in China are still doing well (post-COVID). Also, three American families (Jim & Kadi, John & Sarah with their three children, Matt & Lydia with their two children) who are working with us are doing well. We also have two young ladies (Crystal and Jenny) from PCC who have been working with us for these past five years. All of these are due a furlough but with extreme travel cost and restrictions it's been hard for them to chance a departure.

South Korea: China's Zero COVID policies still do not allow me to organize any summer teams. I've prayed for new doors to open. The opportunity to work with South Korea was offered which prepares us for North Korea. A summer team of four college age youth or two young married couples is needed, but so far, no one has volunteered. I'm saddened! This will be a wonderful opportunity to minister in an 'open' country. The school in S. Korea is asking for help to conduct a one-month Vacation Bible School for Korean children. Missions is an opportunity to serve others even when difficulties are known. Please PRAY and remember the exhortation in Isaiah 6:8 'Here am I; send me' -- The opportunity is now, but who will Go?

PRAY: Elections in China: President Xi is up for re-election this year. The common people do not vote for their president. Only Communist Party members vote. There are rumors in China that President Xi's might not be re-elected since he has been too controversial. Please Pray that God will intervene: **Proverbs 21:21** - The king's heart is in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will.
