Dear Pastors and Praying Partners,

We again thank you for your prayers and support. God has been blessing. August 5th was our second wedding anniversary! I am very thankful for the wonderful lady God has allowed me to marry!

This month, Courtney was able to help out in an annual ladies conference put on by our home church. It is called Women Behind the Scenes. It was a time for encouragement and teaching for pastor's wives and women in their local churches. I am so proud of my wife and her servant's heart to take part in this event. If the ladies in your church would be interested in coming to next year's conference, please let us know and we can keep you in the loop on the details!

On Thursday the 15th during our home church's midweek service, I and several fellow missionaries received an arrow. The arrow is a symbol of being sent out from our church. We were challenged not to approach serving the Lord in an apathetic manner like king Joash did in 2 Kings 13.

In previous letters I asked prayer for a young man named Logan. Just the other day we met to study the scriptures. After studying about our wonderful Savior in Isaiah 53 Logan said "I have to tell somebody about this!" So after studying we went up to the person that took our order at McDonald's and witnessed to him. God is so good to work in our lives like this! Praise God that He is still at work in the lives of people. At the same time, though, I wonder how many people in Nepal could be getting saved and growing in the Lord if only they had someone to tell them.

In Christ,  
Justus and Courtney Mize
