Dear Pastors and Praying Friends,

God has been good! We are praising the Lord to hear back from 3 more churches so far this year partnering with us to get the Gospel to Nepal! We also praise Him for our safety while traveling and for keeping our family healthy!

We were blessed to be able to take part in the Our Generation Conference at the beginning of this month. I was allowed to preach for a couple minutes during one service. I also had the privilege to pray with a young man who committed to serve God with his life in the area of missions! If you have not been a part of this conference before, it is worth the time. God used it greatly this year.

There is a building project happening in Nepal. The Taube family, who we served under during the 6 months we spent there in 2018, have begun building a camp called Camp Refuge. The land has been purchased and most of the construction of the building is complete. The need is for \$30,000 to fully complete everything.

We see God doing a work in the country of Nepal. This property allows us to accommodate that work by having camps for young people, pastor's retreats, evangelistic meetings, and more! **Please pray about how you could be involved in giving toward the completion of the project and feel free to contact us with any questions!**

As I was knocking on doors with my church this Saturday, we spoke to a majority of Hindu people in our area about their eternity. Nepal is 80% Hindu. I couldn't help but long to reach Nepali people in their country with the Gospel soon!

In Christ,
Justus, Courtney, and Gideon Mize

This was Camp Refuge in 2018 when we were there. Now it has all but one or two stories completed and they've already held a Men's Retreat there.
