

## JUSTUS & COURTNEY MIZE: CHURCH-PLANTING MISSIONARIES TO KATHMANDU, NEPAL

Dear Pastors and Praying Friends,

The month of June has proven to be eventful for Courtney and me. **Courtney and I were both able to graduate the Our Generation Training Center** (our home church's Bible college) and **I was allowed to lead two individuals to the Lord!**

Being able to attend and graduate from the Training Center is a big step for us. It was not easy but the work was well worth it. **The practical training we received is invaluable to what God has called us to do.** From the academic classes to the six months we spent in Nepal as part of our training, God has used this time of our life to grow us immensely. And let me just say that I am so proud of my wife for persevering through to the end in order to graduate. She put in the hard work it took to learn and grow both before and after we married. I thank God for my wonderful wife!

**I am so thankful that God would allow me to lead two people to Him this past month!** One was a young man at a Bible camp and the other was a young man whom God had been working in before the Sunday morning service. After the preaching I was able to talk with him about the message and he put his faith and trust in Jesus. Both of these young men heard good preaching straight from the Word of God before making a profession of faith. Thank God that His Word does not return void! Thank God that He is still in the saving business! There is so much to be thankful for this month.

**Thank God for His work in our lives and thank you for your prayers and support!**

In Christ,  
Justus Mize
