2 Corinthians 5:17:

“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.”

Dear Pastors and Praying Friends,

We thank the Lord for another month to give in His service.

The greatest blessing of the month is to have led a young man (named Alex) to the Lord! I asked him if he went to church. He said no but that he was a Christian - just not the kind that goes to church.

After hearing that I knew I needed to share the Gospel with him. I asked him why he thought he was a Christian and why he thought he was saved. He explained that he is a pretty good guy. I showed him Isaiah 64:6. After showing him several verses about our sin and why Christ died, things began to make sense to him. We sat and talked for an hour and a half. **I told him he could try to do all the right things and be the best person he can be but that is not what God wanted from him. God had one simple message for him - repent and believe.** He told me if that is what God wants then that is what he would do. So there in the coffee shop he bowed his head and asked God to save him!

There are so many people in Nepal that need to hear the same Gospel I was allowed to preach to Alex. Many may never hear if someone doesn't go. For that reason **we are excited to be going to meetings again** after many cancelled due to COVID-19.

Lastly, thank you for praying for Pastor Gardner. God has done a work. He is at home now and recovering well. It is a long process to recover from COVID-19, but God is good. Please continue to keep him in your prayers.

In Christ,
Justus, Courtney, and Gideon Mize.
