Deputation Update

We were blessed to have been in several churches this month. We thank the Lord for safe travels and great meetings. Two of the churches that we were in voted to take us on for support in the service! That puts us at about 80% of our support!

Preparations for the field

As we approach our departure date of January 25, 2022 there are many details that we need to work out. God blessed in a big way through our housing situation: We have been renting an apartment during deputation and the lease recently ended. To renew the lease for our last three months in the state the cost of rent was going to increase significantly. We did not feel that it would be wise to pay so much as we are working on saving for our setup fund. We started to look and ask around and within a few days God provided another place for us to live that has cheaper rent than we are paying now! God provides!

Some of the men from a mission conference we were in.

Gideon has been making friends everywhere we go!

Baby update!

Baby and mama are both healthy. We thank the Lord for the good reports that we have been receiving from checkups. We have scheduled a c-section for November 29, 2021. The scheduled c-section is due to some preexisting conditions. We have decided to name our daughter Talitha from Mark 5:41. Which says “*And he took the damsel by the hand, and said unto her, Talitha cumi; which is, being interpreted, Damsel, I say unto thee, arise.*”

Thank you so very much for your prayers and support for us as well as keeping in with touch us. All the glory to God!
