Dear Praying Friends,

In Ezekiel 36, God punished His people, but was not pleased with the disrespect that it brought to His name. So, He promised to bring them back, not for their sake, but for His “holy name’s sake.” Though we are not Israel, we know that God loves us, and that He is jealous for the glory of His holy name. Therefore, we can pray with confidence that God would glorify Himself through bringing His people back. May God and His holy name be glorified through His church.

Travel for Furlough

Since our return, we have visited Ohio, Illinois, South Carolina, North Carolina, Tennessee, Kentucky, and Georgia. And in the next few months, we will visit Wisconsin, Illinois, Michigan, Virginia, Ohio, Indiana, and possibly more. Please pray for God’s protection, and for the exact meetings that God would have for us. Also, pray that, if it is God’s will, that we would gain some additional support.

Continued Ministry to the Church Remotely

We continue to minister to the church in Bolivia remotely through the app called WhatsApp. We praise the Lord that many are listening to the sermons and that we have been able to call them and to minister personally to them (including some others who are not even members of the church). Some have even periodically visited with sister churches nearby. Please pray that God’s Word would do a work in their hearts, that they would grow spiritually, and that we would have the wisdom in knowing how to counsel them. Please pray for **Arenato, Jose Carlos, Limber, Pati, Rivaldo, Sabina, Vladimir, Yoselin, Edilberto, Miki, Anastacio, and many others.**

Fruit and Continued Prayer for Seeds Planted

Please continue to pray for the seeds that have been planted in the hearts to bring forth the fruit of salvation. **Marcial** was open after the death of his wife Marci. Pray that he continues to seek for God and not harden his heart. **Jaime** is still recovering from his surgery, and learning to walk without part of his leg. His daughter **Yoselin** requested prayer for her dad. They both need to be saved. Yoselin’s older sister, who is a Christian, and her family are visiting them from the U.S. Please pray that she would have the opportunity to witness to them both, and that they would accept Christ as their Savior. There are so many lives and stories to tell. Please pray for these people also: **Soledad, Miguel, Yanet, Luz, Rosa, another Rosa, Elena, Mirta, Cristina, Junior, and many others.**

Prayer for Hurting Believers

Bolivia has been hard hit with a “third wave” of the covid. This is mostly from the Brazilian variant, Bolivia’s neighbor. **Hector Xochichua**, a Mexican national who came to Bolivia 18 years ago as a missionary, did a wonderful work for the Lord. He passed away from

covid this past week. Please pray for his family, both for God's wisdom and peace through this trial, but also for their health, as all of them have contracted it as well. Please also pray for this church in Sucre, Bolivia that has lost their pastor. Also, **Caroline Price**, one of our missionaries in Bolivia, has also contracted the virus and had a very rough time of it. God has done a miracle in getting her through a very close call, and in getting her the oxygen that she needed. (Bolivia is running low on the necessary tanks, and people stand in line all day to fill them up.) Please pray that she would make a complete and quick recovery. There are also several of the Bible Institute students and workers who have gotten it. Please pray for **Gabriel, Julio, Maria**, and others. And please pray for wisdom for the Bible Institute in knowing how to deal with this situation. Please continue to pray for **Susana**, as she cares for her widowed mother and brother in Valle Abajo (**Uber** and **Daniel**), and her husband **Marcos** (struggling with cancer) in Santa Cruz. Also pray for her married son **Marcos** (who is looking for work) and for Marcos' wife **Laci** (physical problems).

Salvation/Baptism of our Children

Please continue to pray for our family, as we try to teach our children about God and what He wants for their lives. As we said before, we praise God that our oldest three (**Rachel, Audrey, and Daniel**) have been saved and baptized. And we are still praying for our youngest (**Katherine**-4 yrs. old) who is asking questions. Please pray for wisdom in how to lead them in the way that God would have for them. They are a very important part of our ministry.

Preparing for Junior Camp

As mentioned before, as the director of Junior Camp, I have a lot of work to do to prepare for camp. Please pray that, as I contact the different people about their responsibilities that they will be prepared and willing to work, unafraid of what is going on in the world with covid, etc. Because of the postponement last year, some jobs will have to be switched to other people. Please pray that I would find the perfect people for each job. Also pray that many children would come to camp and make decisions for God (salvation, surrender, etc.). We plan to return to Bolivia at the end of September or early October to get the physical planning done on site. Please pray that the country will remain open, and that they will not put on additional restrictions that would keep us out of the country. Also, please pray for wisdom on when to buy the tickets, good price, etc. We appreciate all of your prayers so much. Prayer is our weapon to call down the "air strike" of the power of God on our lives and ministry. Without Him, we can do nothing. We love you all in the Lord.

In Christ,
