

Greetings in Christ

May & June 2021

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. Seems like the COVID problems are not going away in Chile for some time. The fear factor is controlling every action that is taken by the government. Churches and schools are still closed, as well as the airport and the state of emergency has been extended back three more months. Please pray that this will pass soon and we can get back to the work. I have been preaching online to the church for about fifteen months now and I think you understand how hard that can be. We have added new listeners and have seen some come to Christ because of the online services, but its not easy ministry like this.

Praise the Lord we are seeing a good turnout for our online services and most are very anxious to get back to the church. We will need to do baptisms and several weddings as soon as things open up again. I have had great liberty to preach and God is still using the ministry in a big way. But, to say that all the restrictions are not hurting the church would be far from truth. We understand that God is in control and in his time we will back in our place and reaching the people of Santiago, Chile.

Please pray for Marta's Dad, he has been diagnosed with colon cancer and it does not look too good. We are waiting on some more test results, but the family and Marta are all having a hard time with it. He has been such a blessing in the church and to me personally through the years. I would be so honored if our Lord would heal him and give great grace to the family during this time. His name in Chelo, thank you so much for adding him to your prayers.

Also, pray for me I'm having some test done for my kidneys. I did get a bad test back and I'm waiting to be tested again. I pray it was something simple like not drinking enough water. But I do ask for your prayers for these next blood test.

We can see that we are moving much closer to the coming of our Lord Jesus through all the problems in our world. I want to be found faithful at his coming. Thank you so much for allowing us to serve in Chile as your missionaries. May our God continue to reach the lost in these last days. Should you feel the need to reach out to me I'm always available through phone or email.
