

Greetings in Christ

Nov. & Dec. 2020

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. Praise the Lord we are back in Chile and the summer months are here and so is the heat. No matter how many years in Chile I never get accustomed to Christmas in the summer time. We do want to wish everyone a Merry Christmas and happy New Year. Praying that the New Year will bring better things than the year that is passing away. This past year has been the hardest year to be a missionary and quarantine has hurt the work more than anything else, but we know God is in control and we look for a better opportunity to serve in the new year.

We are still not allowed to have services in the church, so we continue online preaching. Most likely things will not change till after summer is over or maybe when they have their vaccine. We have lines for everything in the city of Santiago and a mask mandate as well. Praying for things to be back to normal soon.

I was able to lead two people to the Lord these past few weeks. Even in times like these souls are being saved. I also have had great liberty to preach and see God working through the work in Santiago. Our holiday season will not be the same, but preaching on the birth of Christ is something I love to do and will use every opportunity to preach and teach Jesus Christ.

We would love to be a blessing to a couple of needy families this Christmas in the church, pray we will have the funds to make that happen. Also, please pray as we take a long drive next week to the south of Chile, a much-needed mission field. We will be holding preaching services there and working with the locals. We will be trying to bring a special Christmas to this part of the world.

Thank you for your heart for missions and allowing us to serve in the country of Chile. May our Lord bless you in many ways this new year.
