Church Planting Missionaries to Germany

1 Thess 2:4 - But as we were allowed of God to be put in trust with the gospel, even so we speak; not pleasing men, but God, which trieth our hearts.

For the past two months we have been in FL, GA, TN, NC, WV, and OH. During that time, God gave us the remaining support that we need! We are thrilled to report that we are now 100% supported! We have traveled for the past 25 months sharing the burden that God has given us to take the gospel to the people in Germany. We were also able to encourage people to pray for world missions and consider giving their lives to it. We are excited to be finished with a task that God called us to and look forward to the next step of moving to Germany with great eagerness!

A damper was thrown on our excitement by the German government continuously pushing back the countries lockdown. As we are in another season of waiting, God continues to remind us that He loves us and wants the best for us. He knows the beginning from the end, and nothing catches Him off guard. With that fresh on our minds, we focus our attention on doing all that we can in our home church and our community while we wait.

We were able to hold a special children's church service at our home church. Brandon preached about being a good soldier. We decorated the room in military theme, played games, and gave out prizes. There was a great number of children that attended and even several visitors.

One cold, rainy, Saturday our family went door-knocking. In an attempt to keep everyone warm and dry, we took turns taking kids to doors. While trading off, we noticed a car park at the end of a driveway a few houses down. When we made it to the parked car, we noticed that no one had gotten out. As I walked by the driver's side, a young man opened his door. I was able to speak to him and give him an invitation to church. During our conversation, he acknowledged that he had never accepted Christ as his Savior. After sharing the gospel with him, he poured his heart out to God with such confidence. He confessed his sin and admitted that he knew that he would sin again. He sweetly accepted Christ as his personal Saviour and asked God to help him make better choices. It is humbling to think that "we were allowed of God to be put in trust with the gospel". Something so powerful has been entrusted to us to share with others not just on scheduled soul-winning days but every day of our life. May we continue to faithfully share it everywhere we go!

We have been praying for a house to rent but so far nothing has worked out. A lady that we know of, through a friend, recently moved and gave us some home furnishings. We now officially own something in Germany! We are so close and still have much that we need our Lord to do. Would you please continue to pray that God would allow Germany to open for travelers in His perfect time? Also for wisdom as we make plans and important decisions in preparation for our move. We are asking God to prepare the hearts of three German families that we can work with to start a bible study once we get settled in. We are praying that they will be a help in the church planting process. Thank you for continuing to prayerfully and financially support our family! We appreciate you and the sacrifice you make in order to help us accomplish the task God has given us.

Prayer Request:

1. Provision for 2021 departure
2. The Lord would help us learn German
3. Three German families to help us on the field
