Church Planting Missionaries to Germany

**2 Peter 3:18 But grow in grace and knowledge of our Lord and Saviour Jesus Christ.
To Him be glory both now and forever! Amen.**

We have much to praise God for over the last two months. COVID restrictions have lessened allowing us the freedom to attend church and shop without masks! The freedoms that we took for granted in the states are even more precious to us now. Warmer weather is starting to return and with it, an abundance of people outside. We have had the opportunity to meet more of our neighbors and get to know them a little more. Brandon and Logan were outside working on our car when a neighbor stopped to invite them to our community men's soccer night once a week. It thrills our heart to see God opening more and more doors here!

Though we have not been able to lead anyone to the Lord personally, God has allowed us to prayerfully be apart of several precious souls trusting Christ. Isn't that a beautiful picture of missions work? We are praying for you to lead souls to Christ in your area of influence while you pray for us to be used here. While our hearts yearn to lead someone to the Lord here, we are blessed to be planting seeds and watering others. Please help us pray that God would allow us to lead someone to Him soon.

A month ago Brandon received an email from a man in the states. The man told us that he got our information from his pastor, whom we have never met, amazing! He shared that one of his long time friends, a German man, is struggling spiritually and looking for answers. Brandon contacted Caspar and found that he only lives 30 minutes from us. They met for coffee. Caspar shared that he has been going through trials and is unsure of his salvation. Brandon was able to take time sharing Scripture with him and explaining salvation. While Caspar admitted that he believes those verses, he still struggles with trusting Christ alone for salvation. Caspar has come to church with us several times and continues to keep in touch regularly. Please pray that God would reveal Himself to Caspar through the Truth of His word, so that Caspar will get his salvation settled. Also that God will deliver him from areas that the devil has strongholds in his life.

Our family had the privilege to FaceTime with our niece's 2nd grade class. During their Bible class a few weeks ago, their class learned about missionaries. Our niece shared with her teacher that we were missionaries in Germany. Mrs. Esquivel gathered precious letters from each of the students and mailed them to us. We were able to mail their class a box of German treats and watch them experience another part of their world over a video call. What a blessing it was to answer their curious questions about missions, Germany, and have the chance to share the amazing things God has done to get us here. During the call we learned that Mrs. Esquivel studied German while she was in school and has a heart for the country and people of Germany. The connections God makes with other Christians is always a neat thing to see. We pray that God uses that video chat to encourage those sweet little ones to have a desire to serve the Lord and burden to see souls saved around the world.

Prayer Request:

1. The Lord will help us learn German
2. Laborers to help plant a church
3. Tutor for Tabitha and the children
