Dear Pastor and Church,

We had the joy of filling in at Bethel Baptist Church in Rota, Spain, for five weeks. Bethel Baptist Church was our first ministry that we had the joy of pastoring for almost ten years. We were able to reunite with many of our Spanish friends from as far as 37 years ago. Some had been saved under our ministry and are now serving and ministering in the Spanish churches. It was a joy to see how the Spanish churches are growing in Spain.

In June we returned to the States for a short three weeks and then on to Japan where we are now and will be until the end of September. Not only were we in our first ministry where I pastored for many years, but we are now in the last ministry that I pastored before all our medical issues began. We feel so "At Home" in these ministries.

Our flights and travel have been okay! Much of my strength has returned and we have done well. Our JOY is unspeakable to be back in the battle for the souls of men and women who serve in our Armed Forces around this world.

It's almost a daily thing to see on Facebook men and women who have given their lives on the battlefield, combatting terrorism far from home. It's so sad. We need to keep them all in our daily prayers. Thank God for the men and women who are willing to give all for the freedom and values we enjoy.

Thank you all for standing with us, praying for us and supporting us so we can accomplish God's will for our lives. It's a joy to represent you among America's finest!

In His Majesty's Service,

Rodney J. Parrott and Family
