RON AND BARB

APRIL – MAY - JUNE
2020

Dear Pastor and Church,

"And we know that all things work together for good to them that love God, to them who are the called according to his purpose." Romans 8:28

While we may not always understand why, and while we may not always see the whole picture, the truth remains that even something as disruptive as COVID-19 and the hostile rebellion across our country is working for our good. During these past three months, God has made this truth very real to us.

We have nothing to complain about because God has called us unto Himself, and we can indeed be confident of this everlasting truth found in Philippians 1:6 - - - *"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."* Beloved, God is in control and orchestrates this world's events!

Barbara will have surgery to replace her left shoulder on the 21st of July. Please pray all goes well. We have been asked to come to Vicenza this coming September for three months to take the Vicenza Baptist Church where I pastored for six years. Again pray with us about this because at this moment the door seems to be closed unless God opens it.

We appreciate all for your support and prayers in helping us to continue ministering to our Military men and women and their dependents serving overseas. We need to pray hard for the men and women who provide law and order for us abroad and at home. May God bless and keep you all.

In His Majesty's Service
