Dear Pastor and Church,

We are finally back in the States after three months in Germany. We were able to get the Heritage Baptist Church in Mehlingen, Germany back up and running. The new Pastor is there now and the Church continues to be doing well. Germany released a lot of their restrictions the last week we were there. This Pandemic is doing a lot of harm to Mission works overseas. Please keep your Missionaries and their works in your prayers.

After returning to the States both my car and truck had to be towed to the garage for repairs. Now, Barbara and I are going to one Doctor after another for our repairs. This past trip was rough on both of us. My Spine Doctor is contemplating more surgery on my back if my Pain Doctor can't help with the epidurals. My last back injury caused permanent damage to both my legs making it difficult getting up and down.

We had plans to go to Vicenza, Italy to take the Vicenza Baptist Church for Pastor Tim Drylie for three months but Bro. Tim and his family can't leave and we can't get in due to the Pandemic restrictions. Please pray with us about this need.

Barbara and I can't thank you enough for your support and prayers in helping us to minister to our Service Men and Women serving overseas. These are difficult times for all of us. We rejoice to know our God is in control! May God bless you all.

In His Majesty's Service
