Dear Pastor and Church,

I'm so sorry to be this late with our Prayer Letter! Honestly, I thought I did one for the first quarter but after checking I see that I did not. However, all is going great for the Parrott's. We have been busy traveling a lot up and down the highways. We had a great time with Faith Baptist Church in Danville, IL during their Missions Emphasis Week in May.

Things are looking good for Italy. I was told that we only have to have a negative Covid Test 48 hours prior to our departure date to enter the country now. Pray it stays the way. We are looking forward to Pastoring the Calvary Baptist Church in Aviano, Italy through November of this year.

We will be glad and thankful when this Vaccine Mandate is lifted from the Mission Field to where we will be able to travel freely once again to the countries where we are needed. This Vaccine Mandate has been a serious issue affecting many Missionaries and Missions Fields around the world.

Serving the Lord is our priority! We are so thankful for all you who sacrifice and support our ministry in helping us to minister to our Service Men and Women serving overseas. May God bless you all.

In His Majesty's Service
