June 2020

Dear Pastors and Partners in the ministry,

This was supposed to be the month of our departure; however, the Lord had other plans. Although, not like we expected, the Lord blessed with a great month of preaching and updating via videos, working at Vision Baptist Missions, participating in our new son-n-laws ordination, and seeing a miracle from God.

We were only able to make one meeting and it was a wonderful time in Bay St. Louis, Mississippi. We appreciated the fellowship, the opportunity to present, and for Ty (me) to preach. It was nice being back on the road. We had two new churches send in and three new churches commit to partnering with us. The Lord continues to provide for all our needs. We were also able to record several video updates for churches and I was able to video preach several times, which was a blessing.

We were blessed to spend some time with Lucy, our granddaughter before the Becker's headed out for several weeks of meetings out of state. She is super sweet. Robert and Emma are doing a great job.

During this time of a pause in our meetings, we have continued working with others at VBM on several projects. One is raising money for the Center for World Evangelism (CFWE) and helping with the zoning process. The CFWE will be

the new location for the Our Generation Training Center (OGTC) both for classes and dormitories for the students. The cost of housing is very high in Alpharetta. The CFWE will help us continue to provide a low cost, high quality missionary education and the ability to train even more laborers. The VBM offices will be moved there, as well. **Please go to <https://www.worldangelismcenter.org/center/> to see how you can get involved.**

Since outreach is a bit of a challenge, it was fun to join some men from church for a game of soccer at the park to meet others. We were able to speak to some men from Nigeria and from Brazil about the Lord, inviting them to church.

Another highlight of the month was participating in the ordination of our new son-n-law, Joseph Hodges. I was able to sit on the ordination counsel and we were able to spend some wonderful time with Joseph's family. God really answered prayer in getting Sam and Julie Hodges here from Honduras for the wedding and the added blessing of the ordination. He is good!!

Thank you to many of you who were praying for our pastor, Austin Gardner. The doctors say it was a miracle that he is alive, and we believe it. God was so good to allow more time to serve Him on this earth, even though it would be far better to

be with the Lord. We are thankful and praise God for healing Him. The picture (left) is our first visit not many days from being released from the hospital. He is doing much better,

even preached, as of the writing of this letter.

Please direct young people interested in missions to sign up for the Our Generation Army (OGArmy) at <https://www.worldangelismcenter.org/ogarmy/>
