Dear Pastors and Partners in the ministry,

We praise the Lord for His grace and mercy. Psalm 136 is very true: For His mercy truly does endureth forever! I (Ty) was able to teach in the Our Generation Training Center (OGTC), we focused on Rebecca's preparation and recovery after surgery, and I preached and presented in a church at the end of the month.

We bought tickets!!!!

I had the privilege of teaching the wonderful group of young people training at the OGTC the first Tuesday of the month. It was a blessing to teach on how to be more conformed to the image of Christ. I enjoyed the interaction and

an excited about the students we have this semester. God is really

working in the lives of these young people. Will you pray for the Baptist Center for World Evangelism (BCWE), which will be the new training location. We have new students all the time and need more places for them to live. To learn more, go to <https://www.bcwe.org/> and find out how you can get involved.

The following week Rebecca had surgery and it went very well. We praise the Lord and thank Him for His loving care! I have enjoyed serving her, as she is such a blessing to me all the time. She still has several more weeks of recovery, however, is doing well. Thank you for praying for her, please continue.

At the end of the month, I was able to preach and present in Beverly, West Virginia. It was a blessing to share the great need in China and

Taiwan. The folks were wonderful, and I enjoyed the drive through this beautiful part of our country.

We were able to purchase our tickets: Praise the Lord!!!! Lord-willing, we are scheduled to fly out on July 17th. It is very exciting to be one step closer, after many attempts. Please pray for the door to stay open, as the cases have been increasing in Taiwan and they have put in measures to control the spread of Covid. We know God is able and trust His will.

Praises and Prayer Requests

- Praise the Lord for His plan and timing
- Praise the Lord for a successful surgery
- Pray for Rebecca's continued recovery
- Continue to pray for Steven Hernandez
- Pray for the door to stay open to Taiwan
- Pray we will learn the language

Thank you for praying and partnering with us! We could not go, if it weren't for partners like you.

In Christ,
Ty and Rebecca
