May 2020

Dear Pastors and Partners in the ministry,

This month all of our meetings and a school chapel opportunity were cancelled due to Covid-19 restrictions. Although different, we had a great month making the best of it by preaching online, working with Vision Baptist Missions (VBM) producing material, teaching at Our Generation Training Center (OGTC), preparing for our youngest daughter's wedding and selling our house (closing May 13th). These have been challenging days and we are praying for you all.

On two different occasions VBM organized some preaching opportunities that I was able to participate in. Many VBM missionaries took time to preach online the

first week of April. I preached on April 2 at 10 am. Many commented on the encouragement they received during these uncertain times. Then again on April 13-15th, Missionary to Chile, Kyle Shreve,

headed up a Run to the Father conference and I was able to preach on May 15th. Again, many were encouraged, and it was a blessing to preach the Word of God. We were able to attend our home church, Vision Baptist Church, a lot more, although it was in a car, strange times.

As mentioned, in last month's prayer letter, we worked as a team to create material in an effort to raise up more laborers. On project is The Our Generation Army: (<https://www.worldangelismcenter.org/ogarmy/>).

This is an exciting group for young people to be involved in. If one has the determination, it will begin the training to help them become soldiers for Christ. If you have young people wanting to do more for world evangelism and grow spiritually, have them go here and sign up.

On April 30th, I (Ty) had the privilege of teaching both first year and second year students at the OGTC. It was a blessing to teach these fine young people, again this month. God is raising up young people, will you join them? Will you consider coming to the training center and being trained to take the gospel to the world?

Rebecca has been super busy planning Abigail's wedding. After much prayer, we decided to proceed on the May 9th date. God blessed, as Georgia started lifting restrictions and we were able to move forward. Everything came together nicely, and I look forward to reporting on it, in next month's prayer letter.

We praise the Lord, as our house sold in less than a week. We will close on May 13th. God is so good to provide a buyer so quickly.

We have been busy preparing the house for transfer. This includes fixing items from home inspectors report and getting rid of additional items.
