- Praise the Lord for good attendance at church.
- Pray for those who are sick with cancer in the church.
- Pray for the work that needs to get done in our new home.
- Pray for the services at Luchon, that we would see more people come.
- Pray that more would trust Christ as Savior through the ministries of the church.
- Pray for the different speaking engagements in April and May.

What a great blessing it has been to serve our Lord and Savior on the mission field in France. It is exciting to see the Lord working in the hearts and lives of believers. We recently had the great blessing of two baby dedications in the church. What a special time in the lives of the parents and the church! Please pray that we are able to encourage the parents as they desire to follow the Lord.

Another great blessing that God has given is the salvation of an older man at the church. After meeting the couple at the Bible stand at the local market, “D” and his wife have attended the church for about three months. He recently came to the house to ask questions about his faith. Praise the Lord that he recognised his need for a Savior. God is good! Pray that we would continue to see souls saved for His glory.

### Other Good News

During the years of serving the Lord in France, we have had the possibility to meet different people and serve along with them in the field of harvest. It has always been a great encouragement to work along with those who have a real heart for the lost. In April, we will have a couple come stay with us for three months. They are seeking God’s will in serving as missionaries in French speaking Africa. Through the years a close relationship has been built with this couple and the church in Saint Gaudens. Please pray that the Lord would lead and confirm if our church should be their sending church. This will be a big step of faith for our church.
