PRAISES and REQUESTS

- Praise the Lord for the recent baptism.
- Praise the Lord for His safety during this time of COVID-19.
- Pray that as we continue to reach out into the community with the Gospel that we would see souls saved.
- Pray that several new attendees to the church would place their faith in Christ.
- Pray for Paul who is fighting cancer.
- Pray that we would be able to resume some of the outreach ministries of the church soon.
- Pray for the people of several cities that recently received a Gospel tract in person or in their mailbox that they would be sensitive to the work of God.

The Lord is GOOD! It is wonderful to serve the Lord. As we serve Him in France, life is not always easy, but when we see fruit for His glory, it is a great

blessing. The last several months have been an attempt to maintain the activities and the outreaches of the church as much as possible. The French government placed new requirements on the church, but allowed churches to continue their services. Pray that the Lord would give strength as I preach 3 services between Saturday and Sunday along with the other activities of the church (prayer meeting, Bible studies, discipleship, soul winning, etc.) It is more work, but it is great to see the people growing.

One great blessing that we had in the church was the baptism of Louis-Charles. We have been trying for almost a year to baptise him, but because of the different lockdowns, his baptism was rescheduled three times. Pray that the Lord would protect him as he leaves for the military this month.

New Potential Law on Separation of Church and State

Last month the National Assembly in France passed a law that could potentially cause major problems for pastors, missionaries and churches in France. Just to name one problem with this law, within the its text, a police force would be established to confirm that places of worship would be in agreement with the principles of the republic. This would restrict the preaching of the Word of God concerning certain values that are being accepted in society that are completely against the truths of the Bible. Please pray that as the Senate takes up this law that they would strike down these aspects of the law that would not honour God.
