PRAISES and REQUESTS

- Praise the Lord for the opportunity to teach a class by Zoom at the Bible institute.
- Praise the Lord for His safety during this pandemic.
- Praise the Lord for the greater number of people following our services online.
- Praise the Lord for the different opportunities we have had to share the Gospel recently.
- Pray for those who have lost loved ones in our church the last two months.
- Pray that we would be able to restart services as soon as possible.
- Pray for the salvation of lost souls.
- Pray for spiritual and numerical growth in the church.

When our last prayer letter was sent out, we did not expect to have our lives completely changed by a virus that has turned the entire world upside down. Even with the events that have transpired, we have seen the goodness of God, and His greatness! God has protected the people of the church in Saint-Gaudens and we are eternally grateful to Him for His grace. Having said that, we have seen several of the church suffer during this trying time. Please pray that the Lord would comfort the heart of those who have lost loved ones the last two months. Please be in prayer that we would be able to meet at the church as soon as possible. As of the writing of this letter, we still do not have authorisation to open the church. Pray with us that the people of the church would stay faithful and persevere until we can meet again.

Activities during the confinement

Summer Activities

As we look forward to the summer arriving, we are generally gearing up for a very busy schedule. Our annual outreach at the Tour de France is postponed until September and we are praying that they do not cancel the Tour completely this year. The mission teams that were coming this summer are not going to be able to do so as well. Pray that we would be able to reschedule these events as the Lord allows. Another activity that I was very much looking forward to was my trip to Zambia, which has now been postponed until February. Pray that in spite of these changes that God would show us other opportunities to reach out with the Gospel message.
