Subject: Psinas/Grenada Prayer Letter May 2019

Dear prayer and financial partners,

We do not ever want to write a prayer letter without thanking all of you precious people for your prayers and support for the Grenada ministry! We simply could not do this without God's grace and His people behind us! We love this journey and we thank you for being with us! Since our last prayer letter in February, the Lord has sent us to speak in Florida, Georgia, Illinois, Indiana, Missouri, Ohio and New York, sharing about the work in Grenada and the need for team members! We have been blessed beyond measure by God's people!

The 2019 summer teams to Grenada are ready to go! We will be flying into Grenada in July, Lord willing. Please pray for servant hearts and for the lost in Grenada! We are thankful that 80% of the 2020 mission trips are already full! But there is still room for YOU if God has touched your heart to join us! Please contact us as soon as possible by phone or email.

Our hair has finally blossomed into silver gray. It is so nice not to have to worry about plucking a gray one out that is trying to sneak in. If we did that now, we would be bald!! LOL!

It is hard to believe that this is our 18th year of full time service to Grenada! Four of our nine grandchildren are in college, and another one will graduate from High School this month! It really is amazing how the months and years evaporate right before our eyes!

Please remember to pray for the Grenada pastors, their families, and the churches they shepherd. We will continue serving the Lord as long as He gives us the grace and strength to do so! Thank you for making all of this possible!

Serving our Lord with joy unspeakable,
Kerry & Terri Psinas, missionaries to Grenada, West Indies
