So Many Blessings...

2019 has been a great year in our ministry and our family! We were doing some end of the year paper work and it dawned on me how much the Lord has taken care of us. We have traveled over 20,000 miles this year and He has provided for us with safety and provision. Thank you for how you have been a blessing to us this past year in support, correspondence, and support!

We do have a couple of new blessings this year that we'd like to share specifically:

1. First off, we were blessed to have a new member added to our family. In June, our son William was born. He is growing and doing well. Our prayer for both of our children is that they will be saved and give their lives to serve the Lord in ministry.
2. Secondly, we are planning on leaving this coming September. The Lord has provided enough of our support that we will buy tickets soon, and we believe He wants us on the field then. We have meetings and are trusting God for the rest of our support before then!

The OG Conference

The Our Generation Conference is a meeting that Vision Baptist missions is hosting January 2-4, 2020 at Lake Lanier Islands. The Lord used one of these meetings back in 2015 to break me from a spiritual holding pattern and rekindle my zeal for world evangelism, and I know that you and your young people will be blessed and encouraged if you come to the conference with us. Please register today and plan to be with us!

Sincerely,

Sam, Beth, Ruby, and William Quinn
