Time for the Our Generation Camp has come around again! We are excited to get the chance to see young people encouraged and raised up to serve God in missions. This year is a little different because we are having two weeks of camp: June 17-21 and June 24-28! We have been so full the past years, Vision stepped out on faith to host 2 weeks of camp! This gives us the ability to reach more teens and have more time with them. There are still a few spots open if you know of a young person who would like to go. Contact us and we will help you get them there! Please begin to pray now that young people will be saved and surrender to serve the Lord!

## Baby Home Stretch

Beth and I are expecting our second child in July, which means he could be here before you receive our next prayer letter! Please continue to pray for Beth and the pregnancy. So far things are going really well and the doctors are pleased. Pray as well that the baby boy will be healthy! We let you know when he arrives!

## Support a Pastor In Northern

My time spent in Northern Ireland was a great personal benefit for my training and practical education in ministry. I would be remiss, though, to not mention the greatest blessing from that time: which is to see my friend James Wilson serving as the pastor of the Northwest Baptist Church in Derry, Northern Ireland. The Church was planted in 2006 by Travis Snode, but remains unable to fully support a pastor at the moment. In order to effectively minister and provide for his family, James is in need of some monthly support. You can give to James via PayPal or through Vision Baptist Missions (Memo: 'Snode-James Wilson').

Sincerely,

Sam, Beth, Ruby, and baby boy Quinn
