A Glorious Adventure!

One of the greatest joys I have in life is being a dad. Watching Ruby and William be born, grow, and learn is a great adventure. Sometimes it's terrifying, like when your daughter breaks her collar bone for the second time in a year, which happened last week. Oftentimes it's rewarding, like when your son finally says please and thank you without being prompted.

I'm learning that starting a church is much the same, with glorious highs and exceeding lows. At the Colchester Mission, we have changed buildings twice in the last month, seen our number dwindle and grow again, and been cursed and blessed at the same time. Yet, through it all, God has been overwhelmingly faithful. He has given us a core of believers, a (hopefully) permanent place to meet, and chairs and a pulpit at a massive discount! Please continue to pray for Bro. Snode as he leads and the work in Colchester as we go through "growing pains."

An Opportunity in Liverpool

Last year, I wrote about the need of Norris Green Baptist Church in Liverpool. At the time, they had an older pastor, a church building, and a lot of potential to reach their area with the Gospel: all they needed was help. Unfortunately, their pastor passed away in February 2021 and there is only one remaining member.

We have been praying for the church, and the last Sunday in May we went to the church to preach for them. We were able to meet Mrs. Laura, the remaining member, as well as several regular attenders. It was a great time and burdened us for the church and the city of Liverpool.

Please pray for Norris Green Baptist Church and their need for a pastor. Please pray for us as well to know how we can help this church!

Thank you,
Sam, Beth, Ruby, and William Quinn
