## Blessings for the Journey

When we set out to travel on Tuesday February 23, I'll admit I was nervous about taking all our bags (21 checked), our carry-ons, and the kids on the flight to Chicago and then London. The Lord undertook for us greatly in our travels, though! Ruby and William both did wonderfully on the flights, and we arrived with all of our bags! I'd like to share a few special blessings with you:

1. Our flight from Chicago to London was very empty (30 passengers for 300 seats), and we were all able to stretch out and relax! One flight attendant even made a little bed for Ruby and she was able to sleep almost the whole time.
2. Our friends the Housers (missionaries in Oxford, England) were providentially on the same flight with us and helped us immensely with our bags and customs.
3. In the last few weeks, church after church has blessed us with special offerings. These were able to cover all of unexpected our costs for this journey.

Thank you all for praying for our family as we travelled to the United Kingdom! We are so excited to be on the field and to get to the work as soon as possible.

## New Land, New Work

Some of you may wonder what our plans are coming up. Well, for the first 10 days in the UK we have to quarantine. Thankfully, the Snodes have been willing to let us stay with them for that time. They have two extra bedrooms and an extra bathroom that is a great blessing to us! We will be working with them for the first year or so; helping in various works, learning, and looking at where exactly the Lord would have us start our first work. We are thrilled to be working the Snodes in this time! There are a few things we'd appreciate you praying for:

1. The house we are looking at renting. We've applied and put down a holding deposit. Now we're just waiting to hear from the land lords.
2. The next few weeks, I'll be preaching and teaching for Travis in Bible Institute and at Downham Baptist Church.
3. The new works in Colchester and Tunbridge Wells.

Thank you again for all your prayers and encouragement!

Thank you,  
Sam, Beth, Ruby, and William Quinn
