## CFWE Share-a-thon

Vision Baptist Missions is working to create the Center for World Evangelism. Ultimately, this will be the epicenter of missions training for Vision Baptist Missions. It will include the Vision Baptist Missions office, the Our Generation Training Center, and housing for the students.

I was blessed to contribute to the fundraising effort for this by helping organize and run a share-a-thon. For 36 hours, 18 hours two days in a row, we had preaching, singing, and sharing from Vision missionaries, staff, and the OGTC students. It was a great time of hearing what God has done for the mission and looking forward to how He will use these facilities in the future. In the end we raised \$105,256! We are so thankful to all those who watched, commented, and gave towards this project!

## Back on the Road

The Lord paved the way from us to go to Texas for a week and half. Before the COVID-19 shut everything down, we had scheduled meetings at the end of May in Texas. We kept praying we would be able to go. Just before we left, God provided 2 more meetings, a beautiful missions house to stay in for 2 weeks, and all of the churches we were in expressed an interest in taking us on for support!!

## Still Leaving in September

We only need 37% more support in order to leave! We purchased our tickets back in January and are praying we will still be able to leave September 23 with no complications. Please pray with us the God would provide!

Sincerely,

Sam, Beth, Ruby, and William Quinn
