Dear Friends:

God still uses old fashion preaching to convict sinners and draw them to himself. The largest number of souls saved in prisons is through preaching. Paul said it this way to the Corinthian believers. ***It pleased God by the foolishness of preaching to save them that believe.*** 1 Corinthians 1:21

*We visited dorm to dorm and had two services each evening. Six men were saved during the meeting, including a man named Ron. I mention him because at the beginning of the service, we asked the men if any were lost. Ron said, "I am, but I want to be saved." Before the service was over, Ron came to me, and I dealt with him from the Word of God. He cried out to God to save him, even apologizing for his tears. Ron told me that his wife, who is also in prison, had been saved about eighteen months earlier during a Rock of Ages revival in the facility where she is incarcerated and she had been witnessing to him. He said that she had told him, "Find the preachers from Rock of Ages Ministries and they will preach to you and show you how to be saved!" God still uses preaching! **Missionary Chuck Cummings***

*I met Roosevelt, a 51-year-old, who has been in prison 30 years on a life sentence without parole. He told me he remembered me from years before at St. Clair Prison and told me what I had preached, "Let's Go Fishing in the Prison Pond". Roosevelt got saved in prison and called to preach. **He knows he will not get out so he is just going to serve God where he is.** Please pray that God will use him for His glory and honor. William, a 35-year-old who has been in prison 6 years got saved in a service just two days before going home. God is good and knows what is needed. Also, three other men in services put their faith and trust in the Lord. Next, I was at the Turney Center in Only, TN. I met James a 45-year-old, who had a 97-year sentence. He spent 17 years on maximum security. He had been a Vice Lord gang member for 26 years. Back in 2017 he junked all that and came to the Lord Jesus Christ. In the service I met Ben, a 49-year-old who told me he had been in prison 3 times for total of 24 years. He told me he was saved and knew the Lord. On the last night of the meeting when it was all over Ben came to me and told me he needed to be saved. We went to the altar and knelt down and Ben cried out to God to save him. He got things right with the Lord. We were in E pod and John, a 40-year-old, put his faith and trust in Jesus. We were also in C pod where David responded by putting his faith in the Lord. We had a service in A pod and Corey, 42-year-old, was in the service. The Word of God was breaking him down, and the Holy Spirit was working him over. At invitation time Corey came broken and weeping to seek the Lord and he found Him. **Missionary Jim Davison***

Thank you for your gift of \$210.00 to help Rock of Ages take the Gospel by way of preaching and printed material.
