Dear Praying Partners,

September-October 2019

In September, one of our supporting churches requested that I conduct an interview with a member of our church. I asked Jochen if he would not mind assisting in the project, and he gladly participated. During the interview, Jochen shared how he always enjoyed hearing God's Word being preached without compromise, but at the same time, we did not try to do the work of the Holy Spirit in people's lives. We allowed people to make decisions as the Holy Spirit led them. I pray that our focus will always be to allow the Spirit's leading in people's lives, and present Biblical truth in a loving, compassionate way.

we began to see more life in the church. Usually the summer months are quiet for us, since so many families leave town for vacation. There is no stoppage of ministry, but things do slow down. So, it is good when school starts back and people can get back in the swing of things.

In our last issue, I mentioned our one day Vacation Bible School. The event had not yet taken place at the time of publication, and we were requesting prayer for it. We had several people from the church who were involved. We also had John and Tricia Olson with us, who minister to the deaf. They were former missionaries to the the deaf in Germany many years ago, so they took the time to teach the children German sign language. Although the attendance for the event was low, but it was a tremendous blessing to see several workers help out!

October is our missions emphasis month. We were able host a family from our home church who has a desire to come to Germany as church planters. Our church got to know them during their short stay with us. At the end of the month, we invited veteran missionary Jeff Brown and his wife Linda. They have been on the field for almost 30 years and have started to robust, evangelistic churches here in Germany. – both are now being pastored by German nationals

School in Germany resumes in September and with the start of the new school year

At the beginning of October I had the opportunity to go to a Bible conference in Hamburg. Hamburg is Germany's second largest, with a cosmopolitan population of almost 2 million. I have always had a burden for Hamburg and I am thankful for the opportunity to finally make a visit there. Would you please add Hamburg to your prayer list, when you pray for us?
