

Michael Riffel

Pastor and missionary - Faith Baptist Church, Saku, Japan

Dear Pastor,

Let me take this opportunity to express my deep gratitude for you and your church's faithful backing with prayers and support as we have served the Lord in Japan. We could not continue the work there without you and want you to know we greatly appreciate your ministry to us. Thank you!

This furlough we have been traveling to many of our supporting churches that we have not been to in up to 10 years and reporting on our ministry in Japan. Unfortunately, we cannot get around to all our supporting churches this furlough. With Pastor Rich's passing, we have not been able to find someone to oversee the ministry while we are away and do not feel like we can be gone from the church for too long. However, we greatly value your support and realize our duty to revisit our supporters as Paul went back to Antioch and the churches of Galatia reporting of all God had done in Macedonia. We are sending you our prayer cards and furlough video and hope you might be able to show it to your church sometime.

Lord willing, we will be able to ~~go~~ to schedule to come to your church on our next furlough in 2023. Thank you for your understanding and continued prayers and support of our ministry. We look forward to seeing what God will do these next four years as we go back to Japan on July 9th. May the Lord bless you and your church for your part in reaching the Japan with the gospel.

Gratefully your missionary,

Michael Riffel and Family
