

March 2022

We praise the Lord for how He blessed the most recent church plants in Rhome, TX, and Atlanta, GA. It is always exciting to see God work in these new plants even during these difficult days. The next church plant will be in Big Bear, CA, with the Get Acquainted Meetings scheduled for March 27-31. The reproducing church is New Testament Baptist in Kinston, NC, with Pastor Tim Daniel. The new church is Big Bear Baptist, pastored by Jackie Elwart. Pray for the thousands of John and Roman booklets and other gospel literature distributed throughout Big Bear and surrounding areas.

Thank you for praying for my assistant, Rick Rust. He has now gone through seven chemo treatments, and his latest CT scan showed that the tumor has reduced in size. The doctor is pleased, and we praise the Lord for this progress. Continue to pray as Brother Rust will now go through three more months of chemo treatments and receive further testing. He is feeling stronger and is continuing in ministry as much as possible.

We are looking forward to several church plants and asking God to work in a great way. If you would like more information about these new works, go to BCPM.org under "Future Church Plants" for more info.
