

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Dear Pastor and Praying Friends,

Summer 2021

As Summer arrives, we are looking forward to our 10th Anniversary in Ministry (8th since founding Seedline South). God has blessed and grown our ministry beyond our wildest dreams. Before the Lord called us into Seedline, any projects done in the South would have gone through Milford, OH first. But the Lord allowed us the opportunity to enter in to this wonderful ministry out of Providence Baptist Church here in Augusta.

In the past 8 years, we have grown from 2 to 8 Planted Level Churches, while completing nearly 150 Scripture Projects in five states. This has produced over 8 ½ million copies of God's Word.

The past few months have been very busy. We've been able to add 3 new churches to the Project Level while continuing to work with existing churches. We have also added 1 Planted Level Church, Praise The Lord! The more folks/churches that get involved, the more Scriptures produced, the more souls get saved and have a copy of God's Word in their own language. Summer is typically our slowest time, due to VBS, vacations, etc. But we are still very active delivering Scriptures, attending meetings, and making calls.

This upcoming August through November, we have 9 Projects scheduled. I am excited to see what the Lord has in store for our ministry in the upcoming months.

Thank you to each of you that support our ministry/family prayerfully and financially. By doing so, we help each other fulfill the Great Commission and reach the lost with the Gospel.

We are actively seeking churches that would like to be involved in this unique and very effective ministry by doing a Seedline Project at your church or by investing in equipment to produce Scripture on a regular basis. Please contact me if interested.

We also need your help. My truck that I use to do projects and transport Scripture is on it's last days. It is a 2004 Chevy Silverado 2500 HD with 335,000 miles. I am in need of another truck to continue ministry. Will you help us? Will you pray and/or give? Whatever the Lord lays on your heart. I greatly appreciate it. Comparable trucks 8-10 years old range from \$30K-\$40K.

May the Lord continue to Bless You All.
