## “For I could wish that myself were accursed from Christ

January 2020

Dear Friends and Co-investors in the City of the Great King,

Thank you for the beautiful Christmas cards, gifts and money you sent our way. Our family enjoyed a marvelous Christmas. Two of our children who are in Bible colleges in America joined us for the holidays. Our church family had a special Christmas Eve candlelight service with a choir Christmas musical on the Sunday evening before Christmas. Food and festivities followed. It was all so charming with all the glory and blessings of Christmastime. We also did Christmas caroling on the night of Christmas Eve at the dormitories of two local medical colleges. Over seven thousand Christmas tracts were passed out during December.

Here is what your investment garnered in 2019 here on the mission field of Guyana. For the year there were **963** saved and **114** baptized in our entire church ministry. We started two new ministries last year – one reaching refugees from Venezuela and the other reaching indigenous peoples who come to the capital city, mostly for medical help from the government hospital. We hired one young man on staff who is being trained in ministry. Two others are already on staff being trained. One of these is called to foreign missions.

I am thinking of starting a food bank to help the refugees. They come from Venezuela with little more than the clothing on their backs. There are several new housing developments that have popped up around us in the last few years. We are planning to put a whole Bible or a New Testament with an appropriate Gospel tract and an invitation letter from our church on every door of every family who lives in these areas. This year I am also thinking of expanding our Bible institute curriculum to the level of getting a certificate or diploma for those who finish. I want to enlarge our zeal and vision to go soul winning, plant churches, preach the Gospel, disciple converts and stick with the tried and proven, historic, Baptist distinctives as found in the old King James Bible. If you like what we are doing, please support us. If you already do, thank you, and please keep doing it. You don't know how much your prayers and support mean to us. You are friends. We count it an honor to have you on our team. Maybe it should be the other way around. We count it an honor to be on your team. Make no mistake about it. It is teamwork: you, us and the power of God that makes this thing go. You are so gracious. Thank you, dear friends.

In November through December, last year, there were **211** saved and **34** baptized. The church has grown, but we are desperate for more laborers. Will you think of helping us in this great mission field? Take a visit. It might make the difference. God bless you all. A bright and prosperous 2020 to you. If any of you would like a new family picture of our family for your missions display, please let us know.
