“For I could wish that myself were accursed from Christ

July 2019

Dear Friends and Co-investors in the City of the Great King,

On July 2 we went to Mt. Salem Revival Grounds and Camp in West Union, West Virginia for their patriotic service. It is really one of the nicest church camps you can ever see. It is nestled in the beautiful hills and hollars of West Virginia. It was a splendid summer afternoon. We ate wonderful foods from the concession stands, heard beautiful music from the Voices of Praise summer tour group of Commonwealth Baptist College in Lexington, Kentucky, heard a great patriotic speech by President Ronald Reagan on the big screen and saw brilliant fireworks in the evening sky. It is now July 4. I am writing from a prophet's chamber in Fairmont, West Virginia. I hear the gongs of an outdoor clock chiming that it is 6:00 PM. It is coming from the church tower of Victory Baptist Church. This is one of our long-time supporting churches. The gongs remind me of old-time churches, ringing the bell for the starting of services. I believe it is the old-time churches that are still preaching the old-time ways of the old paths that have truly made America great. Proverbs 14:34 says, “Righteousness exalteth a nation...” Psalm 146:5 tells us, “Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God.” I love this land. I am privileged to be an American and to live in this great nation (at least while my family and I are on furlough).

Our furlough is more than half done. We have had tremendous meetings in all the churches that we have visited. We have been treated kindly and have been given the red-carpet treatment. We are refreshed and encouraged by the firm stance of all the churches standing on Biblical grounds in a culture of decay and debauchery. We have gained a couple of new supporting churches. We are very grateful. Fellowship Baptist Church in Canton, Ohio collected a coin offering in their VBS and gave it to us for the sound system of our church in Guyana that we mentioned in our last letter. The church doubled what came in during the VBS and it has more than met the need for which we asked. That was such a wonderful blessing to see God work.

We are in constant contact with the church in Guyana. Brother Aubrey tells me that the Lord is really blessing and the people are going great guns in our absence. That is so good to hear. Every missionary knows what I am talking about. He told me that **135** were saved and **four** baptized from the beginning of May to the end of June. That is really good news.

If you have not seen our furlough video as yet, you will want to see it. Go on YouTube and type in **Noel Shrivnauth family missionary presentation 2019**. I believe you will enjoy watching it.

Thanks for praying and thanks for caring for us. We still have much to do before the end of our furlough. Please continue in praying for us. Prayer is a formidable and unsurpassed weapon in this war. We see the effects and we know it works.
