## Missionaries to HONDURAS

December 2019

And he said unto them, Go ye into all the world, and preach the gospel to every creature. Mark 16:15

This was our Lord's last command to his followers before he returned to be with the Father.

### Thank You for Praying!

We would like to thank everyone for your support this year. Your financial support has been greatly needed but your prayers have been needed so much more. If you are celebrating the birth of our Saviour we wish you a joyous celebration and we wish each of you a prosperous New Year as you serve Him!

### New School

We've come to a point where we must make decisions on the school.

We originally hoped to place a container on the property that we are renting, but we have found out that we're not able to do that. We still have a need to open the school in August, but we now need a piece of property. We've looked for a piece of property to rent but we've not been able to find one. We have found a very good deal on a small piece of property here in the city that we are hoping the Lord will allow us to buy so that we can set up our school there. We would greatly appreciate your prayers that the Lord will bring the funds to buy the property, put down the container, and all the paperwork that must be filed. We need \$2000 immediately to finish the paperwork.

All together the property is going to be \$26,000. The building will be \$11,000 for the container, water and a septic system. We are looking at a \$40,000 need. Please pray for us! We have \$4,000 so far given by one church for the container, but we need your help!

We need to have everything in place to open the school in August. It's a large task but if you will pray about how you might help, we know the Lord will be work.

### And More

All the Bible clubs ended the year with good numbers and many children achieved new levels in their memorization. We have our first scolar ever in the sixth level, for me that is exciting.

Lord willing, we will be applying for our permanent residence in June 2020. That will be a big deal and big expense, please pray with us.

The last two services we had Octavio visit, we had witnessed to him over two years ago while out door knocking and we are praying for his salvation. Please pray for him and Carlos our landlord, Carlos the Mennonite and Carlos that I met on the street.

May our Great God bless your New Year!
