## Missionaries to HONDURAS

July 2019

*That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. Romans 10:9*

"The simplicity that is in Christ," the Apostle said in his second letter to the Corinthians. The above verse has been the simplest way to explain salvation for many of us. And I know it has been the means by which many have come the Saviour.

### The Blessing of Transportation!

We are so blessed to have a new truck to use to bring people to church and to get the gospel out. The timing was great because the Ford only lasted for four weeks after we picked up the Kia. But we have had no blips in bringing people to church. Praise the Lord!

It still needs a little work, but it's getting the job done. The seats in the picture are a quick temporary install and we need a top for the back.

### Please Pray for Honduras

The protests in the country have made it difficult to get to the welding shop where we have the bars made and it has taken up to six hours to travel to one of the big cities to buy food for Nikki. The poor people here do not understand that the one behind the protests are communists. Please pray for this nation. Also the government has declared a national emergency because of the Dengue epidemic.

### Salvation Needed

I would like you to please pray for some recent visitors who are struggling with salvation. Carlos is a young fellow that was raised in a Mennonite children's home and is very confused about salvation. Please pray that he calls so that we can speak again. Manuel visited after receiving a tract, he said he agreed with the preaching but he wasn't sure about his salvation. Please pray that he comes again.

### School

We are fervently praying that the Lord will allow us to start a school this year. We are investigating what is required to be able to be registered with the government. We would like to purchase a shipping container to build a school room, we have two children that are 5 and two more turning 5 before the next school year which starts in Feb. here. Please pray that this might be possible if it is the Lord's will.

Thank you for praying, Cristo vive!
