

# THE STAGNER FAMILY

Stagner May-June 2020 Prayer/Update Letter

*He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water. John 7:38*

Dear Fellow Labourers in Christ,

First off let me thank each and every one of you for the dedicated support, prayers and encouraging messages. The Lord has so graciously allowed us to be a part of the churches and ministries here in Wales. Our gratitude toward your partnership and the Lord is beyond words, so thank you very much.

The past two months have been eventful, busy, unique and in a great way repetitive. As many of you know, we are still on lockdown orders in Wales. We are allowed to travel within 5 miles of our home for essential reasons only once a day. To say the least, this has been an experience, but we have remained positive and steadfast to provide services, Bible study and fellowship for our churches by continuing two services on Sunday and Wednesday as well as holding our Tuesday Bible study for Saron South via Zoom. We still hold Friday fellowships via Zoom using the technology to have some fun Bible (and geographical/historical) quizzes. The ladies have started a 'secret sister' gift giving group which has been a blessing.

During this time, several folks we have been working with for quite some time have taken this opportunity to reach out, giving us the chance to witness to them in ways they may have been distracted from prior to COVID and lockdown. One girl in particular who has been through many ups and downs over the past few years, accepted Christ as her Saviour over a video call, AMEN!

I know it would be easy to complain and moan about things, especially now as our 'normal' life has been interrupted. What I have encouraged our people to think about is that we are now given a time to speak to people a little clearer, because life as we know has had a change of perspective. Many of these folks are not being pulled apart by the busyness of life and running here and there, so take hold of the moment, allow the adjustment in schedule (for us it has been busier) and use it to the glory of the Lord Jesus Christ in seeing souls soundly saved.
