

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Spring 2021

Dear Pastor and Praying Friends,

As I write this, I am reflecting back to this time last year. A time we were introduced to Covid 19. It was a time of uncertainty like our generation had never experienced. A global pandemic was hitting all of us hard. It had been nearly 20 years since America was attacked by terrorists on 9/11. Until that time and the years following, many did not ever believe our way of life could ever be changed involuntarily. But something that I believe all of us have realized is that life and health is a precious gift. We are not promised another minute. Life, as James 4:14 proclaims, is even a vapour. It only lasts for a little while. We need to do all we can, as quickly as possible.

This has given our ministry an enhanced motivation. People are passing into eternity every day. Most are without Christ. The need for God's Word has never been more evident. Spring is the time for new life and new beginnings. A lost soul can be made alive through God's Holy Word.

We are committed to producing, assembling and distributing Scripture so the world may know who Jesus is. Since the beginning of the year, we have completed 8 Scripture Projects, while delivering Scripture to others. I am very thankful for all who participate and support our ministry. Without the prayerful and financial support we receive, it would not be possible to do what God has called us to do.

I am excited for the future. If the Lord tarries His coming, we have 15 more Seedline Projects scheduled over the next several months.

May you all stay healthy and may the Lord continue to prosper you as you continue to serve Him .

Praises: New Planted Level Church and Protection and quick repair after hitting a deer.

Prayer Request: Increased Support; Health – my gout and bone spur have constantly hindered me recently. Also, my brother Cairo (pronounced Kay-Row) is battling lung cancer. Pray for healing.

Serving Christ Together,

Terry Sturgill
