## Missionaries to HONDURAS

April 2019

Also I say unto you, Whosoever shall confess me before men, him shall the Son of man also confess before the angels of God: **Luke 12:8**

There is no problem with people using the name of Christ in public in Honduras. As a matter of fact, they claim the blessings of God and the same time they curse with the name of Jesus. If you do not claim to know Christ Jesus in this society you are the odd one. The problem is that though they may know the name and claim the blessings, they have never repented of their sins and begged His forgiveness. Please pray that Hondurans will see their personal need to repent of their sins.

### We Are Blessed!

We were blessed to have several friends come to visit, though they were very short visits. Thank you to Eric McCracken and Joe Mientkiewicz for their help working on the Ford. We were able to get the transmission completed and installed, praise God we have 4 gears again. The new springs are installed in the rear and some leaks have been repaired.

What a blessing to receive enough money to purchase the new Kia truck, it should be in service in about two more weeks. We had seven services in the last year when we had no working truck to bring people to church. Thank you to everyone that gave to this need, Lord willing we will always be able to bring people to church with this new vehicle and many more people in the mountains will receive a witness.

Thank you to Cornerstone Baptist Church in Carthage, TN and Calvary Road Baptist Church, Millington, TN for meeting the needed funds for the private school. We are praying to be able to start a school soon as we have three children turning 5 this year. We can not legally homeschool them, but we could start our own school, please pray that the Lord would allow this!

We started a new class for little people on Wednesdays before the regular service, the Lord has been blessing and that has gone very well. We have a youth meeting once a month to promote Bible study and fellowship between our young people, so far that has been a bit troublesome, please pray that the Lord will get a hold of our young peoples' hearts. We have not one young person that shows a desire to serve the Lord, please pray with me!

### Our House

We are headed to the capitol on Monday to renew seven passports for our children. Please pray that there will be no problems with the truck or obtaining new passports. We are praying that our oldest daughters can return to the states to visit. Jillian and Emmaline have been here for five years without a break. Please pray for them!

Thank you for your investment in this ministry, God bless you!
