## Missionaries to HONDURAS

March 2020

*But what things were gain to me, those I counted loss for Christ. Philippians 3:7*

Oh, that we could see that value of our lives when we surrender all to the cause of Christ! We do not lose anything of value when we surrender to do His service, indeed we gain the joy of seeing souls saved and help the saint in their walk with Him. Thank you for allowing us to serve on this mission field and for all that you have done for the cause of souls in Honduras and around the world!

### Praise

One night Felicity came to Dawn after bedtime to say she wasn't sure she was saved. Then two nights later Alicia followed her big sister. Both girls could remember praying a prayer for salvation when they were little, but they have had no peace. After reading many verses with them they both knew they needed to be saved. Praise the Lord for the Salvation of two more of our children.

### The School

As you know we have been working to open a school for our children and others. We have completed all of the government paperwork, but now we have to get it set up and ready to open by the end of May. We do not have time to build this year because we were not able to find a piece of property yet. For the first school year we are renting the house that you see at the left here. Now we just need books, tables, desks, shelves, paper, printer, computer, workbooks, notebooks, crayons, pencils, pencil sharpeners, etc.

### Urgent Need

We will celebrate our first six years in Honduras in June, but the problem is that now we need to change our status. Our five year temporary residence is going to expire and we need to apply now for what they call 'permenant residence.' It requires a lot of paperwork and unfortunately a lot of money. We will need almost \$15,000 by the time we are finished. Our immediate need is for \$8700 which we must have by May to start the paperwork process. Also needed are physicals for all children(7) 20 years old and under, however with the restrictions only emergency doctor visits are allowed.

### Salvation Needed

Please pray for Octavo, Manuel, Omar, and Raul who have visited church or I have spoken with them on the street. They are in need of the salvation that only our wonderful Saviour can provided. We also have some regular attendees that I am not certain but I am praying for their salvation. Yensi, Patricia and Marvin, please pray for the children in our Bible club in Canadá; Christian, Britani, Isis-Yesel, Juan Carlos, Kelvin, Yenni, Carla, and Reina who is now in NY.

Thank you for praying, Christ is all in all!
