

The Talley Family

Church Planting in
Königs Musterhausen, Germany

April 2019

Dear Prayer Partners,

Looking back on how the Lord has taken care of us since we first surrendered to come to Germany increases our confidence that He hears our prayers and the prayers of those who helped send us here. Our committed support has been well under the estimated need for several years, yet He always answers our prayers and meets our needs day by day. In three of the past four months, our account with the mission HAS ENDED WITH A DEFICIT, but we trust that God will supply this need as He has always done in the past.

The Lord has also been blessing in the children's ministry. Several of our members have children who are within the age group for our weekly Bible club. They enjoy taking part in the singing, the Bible story time, as well as the snacks and games. Often, they bring friends with them, which opens the door for reaching the whole families. LUCY WAS INVITED BY A FRIEND OF A FRIEND and has been coming faithfully for several months. Her parents each stayed for the entire Bible Club on separate occasions and have also visited a Sunday service and have promised to come again soon. Meanwhile, the mother of Mia, the friend who invited Lucy, decided not to allow Mia to return. Pray for both of these girls and their families that they will receive Christ.

We have also been praying for God to provide men who could be trained to take on various roles in the work of the church. FABIAN, WHO HAS BEEN VISITING for a few weeks, may be a part of the answer to those prayers. Pray that God will give us wisdom as we pursue this possibility.

Another young man, MAURICE, HAS BEEN A PART OF OUR BIBLE CLUBS FOR YEARS, first as a participant, and now as a helper. Please pray that God will direct him toward full-

time ministry when he finishes high school in two years.

Please also pray for our son, Joshua, who is finishing up his first year at Ambassador Baptist College. He IS IN NEED OF A SUMMER JOB to help cover the cost of his education.

Thank you for your faithful prayers and support!

In Christ,

The Talleys
