Missionaries to Brazil

“And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!” Romans 10:15

Dear Pastors and Praying Friends,

It's always a blessing to update you all on how the Lord is using our lives in the ministry in Rio de Janeiro, Brazil.

We had a blessed Mother's Day service at the church in Galo Branco. We brought the ladies from the church in Itaborai to fellowship together. There were many unsaved mothers visiting that day that had an opportunity to hear the gospel. We pray God will give increase to the seed that was sown in their hearts.

Please, pray for the children of the housing project we are working with. Please pray for their parents, that God may soften their hearts and they may accept the Lord as Savior. Please pray that God uses our lives to reach them.

At the church in Itaborai, there is a new young couple, Diogo and Marilena, that have been attending the services. Please pray for their salvation!

Marilza is doing a great job with the children of the church in Itaboraí. They all have accepted Jesus as their Savior and are hiding God's Word in their hearts with the Bible memory verses she teaches them each week. In addition to teaching the Bible, she even teaches them to read and write, and helps with their schoolwork and math problems.

We also held a “Winter” retreat with both churches. Yes, it is “winter” in Brazil right now from the months of June-August! It was a great time of fellowship, preaching and teaching the Word of God. We had many visitors that heard the gospel. We praise the Lord that the husbands of two ladies from our church came to the retreat for the first time. We pray that God saves them. Their names are Heliomar and Devanir.

We are very grateful for your faithful prayers and financial support! We also appreciate your encouraging emails, letters, and cards. May the richest blessings of the Lord be upon your lives and ministry!

Under His Care,

Paulo and Marilza Tavares
